🔥 Projects

○	COVID BED SLOT BOOKING	
	A COVID BED SLOT BOOKING project's goal is to offer a simple and effective way for people to reserve open hospital beds for COVID-19 patients. By creating a digital platform or application that enables people to check the availability of COVID-19 beds at various hospitals or healthcare facilities, the COVID BED SLOT BOOKING project seeks to overcome these difficulties. The primary goals of the project could be:	
	● Data Management and Reporting	
	● Integration with Existing Systems	
	● Real-time Bed Availability	
	● Prioritization and Triage	
	● Notification and Alerts	
	● Booking System
